

WE ARE HIRING!
JOIN A FAST GROWING COMPANY

TRI Dental Implants AG is one of the fastest growing providers of digital implant solutions from Switzerland. The innovative and high-quality implant solutions are available in the value segment in more than 50 countries worldwide. With an exceptional portfolio of high-quality products, excellent service and steady influx of innovations, we are able to generate more success for our partners and customers.

Become part of our successful team! In Freiburg i.B. (Germany) we are looking for a:

Training & Education Manager (m/f)

Your responsibilities and tasks will mainly include the following:

- Training & Education of distributors, national TRI organizations and doctors internationally on the TRI® Dental Implant System
- Second-Level-Support
- Establish and maintain materials for training & education such as presentations and demo materials
- Support on development projects and product improvement
- Administrative Support
- Support for incoming goods inspection, complaint management and quality control

Your profile distinguishes itself through the following:

- Education in the field of dental / lab
- Excellent CAD/CAM Know-how
- Willingness to travel (about 20%)
- Teamplayer, proactive and pragmatic way of working
- Open-minded and communicative personality
- Convincing appearance and strong communication and presentation skills
- Excellent German and English skills, other languages are welcome

Have we triggered your interest?
