# LOCATION

## MODENA - ITALY

## WHAT SETS THIS COURSE APART?

Participate in exclusive live demos, engage in expert-led discussions and enjoy hands-on scanner training—all within a prestigious and immersive setting, making this event a must-attend for forward-thinking dentists.

### ✕ OPTIMIZE YOUR SCANNER WORKFLOW

Learning the best practices in a variety of scanner workflows will streamline processes, enabling faster, more precise treatments, reducing chair time, and increasing patient satisfaction.

### ✕ PROVEN SOLUTIONS FROM INDUSTRY LEADERS

Led by respected voices in digital dentistry and expert users, this course offers unbiased, hands-on comparisons of the top scanner brands.

### ✕ CONFIDENT DECISION-MAKING

Gain confidence in fully adopting digital dentistry technology with intraoral scanner knowledge so you can confidently choose the ideal system for your practice.

### ✕ INCREASE RETURN ON INVESTMENT

The course will help dentists fully leverage their scanners by teaching them how to integrate these tools into their existing digital ecosystem, driving measurable ROI for their practice.
