COURSE DESCRIPTION

Explore the 100% digital workflow at DENTAPRIME, Europe's largest digital dental clinic in Bulgaria. Immediate Full-Arch deep-dive, including live surgeries and prosthetic procedures. Learn from Europe's biggest and most digital dental clinic how to treat your patients with a full digital workflow.

- ✘ 100% digital route to full arch restoration
- ✘ Fostering synergy between surgeons, prosthodontists, and laboratory technicians to deliver a holistic digital treatment
- ✘ Most efficient digital chairside full arch workflows by eliminating manual treatment steps
- ✘ Discussions on future developments and groundbreaking advancements in the field
- ✘ Live full-arch chairside surgery with an immediate prosthetic restoration, all completed in under two and a half hours
- ✘ Hands-on session using 1-to-1 models of real-life surgical patients to reinforce your learning experience
