

MASTERCLASS

Digital Planning & Implant Guided Surgery

 4th May 2024 (Sat)

 8.30 AM -4:40PM

 Opero Hotel,
Johor Bahru

SPEAKER :

DR SYAHIR HASSAN

ORAL & MAXILLOFACIAL
SURGEON

OVERVIEW:

This masterclass provides a systematic approach to learn how to incorporate Guided Surgery technology into your practice, discussing prosthetic driven implant placement, digital treatment planning and workflows for fabrication of surgical guides as well as the necessary equipment. This technique can be used with any implant system.

“Place an implant accurately fast with no stress”

“Digital is the future of dentistry”
