PARTICIPATE IN THE EVENT

THE FUTURE OF **NO-ABUTMENT**  
IMPLANT DENTISTRY

WITH

**matrix**®

Tampa, FL  
December 11<sup>th</sup>, 2024  
6pm - 9pm

Shivam S. Patel,  
DDS

TRI® is going on the road, showcasing the future of no-abutment implant dentistry with the innovative **matrix**® Implant System. Join us for this exclusive roadshow as we bring expert insights, and real-world case studies to cities across the United States. The **matrix**® system is transforming workflows and patient outcomes with its unique abutment-free design, streamlining implant procedures and offering a truly digital solution for clinicians. Whether you're looking to enhance your practice or explore the latest advancements in implant technology, this event is your opportunity to experience the next evolution in dentistry firsthand.

## LEARNING POINTS

- ✘ Advantages in eliminating single tooth & multi unit abutments
- ✘ Digital implant workflows for site development
- ✘ Full Arch treatment without Photogrammetry
